DENTAL SURGERY

Patient Information Leaflet

Welcome to our family-friendly practice.

Everyone at Bridge Street Dental Surgery is committed to providing high-quality dental care to ensure your mouth is kept in the best health.

.....

Dental care and treatment at the practice

We offer a range of modern preventive dentistry, oral hygiene services, implants, wisdom tooth removals and cosmetic dentistry.

We strive to ensure that your dental care meets your individual needs and always discuss any proposed treatment and treatment options with you.

We want you to feel confident about your treatment and welcome any questions or concerns.

Each surgery is equipped with the technology to help us diagnose when treatment is required and explain the treatment options to you.
